

Pulhams Coaches App guide to purchase Home to School Transport Ticket

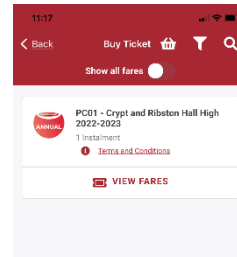

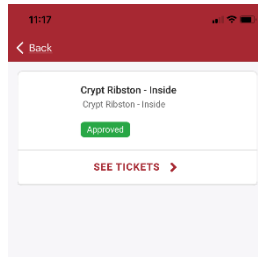

1. Once you have registered on the App. Select your school, then 'Buy ticket'.

2. Purchase a ticket for £100 to secure a space from your required boarding point. Then proceed to make payment.

3. We will allow access to the payment options when a ticket has been purchased to secure a space. Payment options will be in 'ticket schemes' (Green 'approved' means you can access tickets). In 'ticket schemes' select your payment option. Once purchased, this ticket can be gifted to your child, if you pay in 1 or 2 instalments. If you choose to pay in 6 instalments a ticket will be added once the direct debit has been processed.

4. To 'gift' the ticket

Add your child to the 'Friends and Family' found in 'Account'. Then proceed to gift the ticket. Your Child will also need to be registered on the app to view the ticket.
